
Student Name and Grade

Semester

School Year

Independent Studies (IS) are designed to allow students to explore content that is not offered in a class. Students must submit this completed form for approval prior to the start of the independent study.

Policies:

- This IS course is being completed for a final grade, received at the end of the semester.
- Teacher must keep attendance every day of the IS class hour. Student must be in the supervising teacher's classroom for the entire class period.
- IS courses will not be added once 10 days of the semester have elapsed.
- IS courses are for Juniors and Seniors only.
- IS courses are worth .5 credits each semester.
