What to Do and Not to

- DO understand that we will not edit your essay/assignment!
 - Come in and allow us to guide you on what to change.
- DO have a specific assignment in mind to work on!
 - We can not help you without anywhere to start!
- DO understand that we do not simply proofread!
 - We can read it, tell you what mistakes are common, and guide on you what to change. We will not fix all of your mistakes for you!
- DO NOT expect us to help you for more than 15 minutes!
 - There will likely be other students that need help, but depending on our schedule we may be able to assist longer. However, we can never guarantee more time.
- DO NOT expect us to guarantee you a grade!
 - Just because you come doesn't mean you will get an A on your essay/assignment. After we guide you, it is 100% your responsibility to make sure your essay/assignment is good.
