Non STEM Course Pre-Approval Form   2019-2020

(courses not taken through STEM or paid for by STEM)

Students taking a Non-CE Course for high school or dual credit must complete this for approval.

_____   _____   _____

Student Name   Grade   Today's Date

Non-STEM course

STEM will not accept more than 2.0 credits transferred from non-STEM online courses for core classes.

- *Course(s) must be completed by <u>May 3, 2020</u> for seniors and <u>July 25, 2020</u> for non seniors.*
- *OdysseyWare must be completed by <u>May 3, 2020</u> for seniors and <u>May 17th, 2020</u> for non seniors.*

Action needed from student:

- It is the **student's responsibility** to sign up for courses **after approval** is given, as these courses are from programs outside of STEM.
- Attach supporting documentation (course description and information on institution and/or program)
- Submit completed Non STEM Courses Pre-Approval Form & documents to the counseling office.
- This completed form will be kept with the student's credit check.
