Immersion Theater comes to Dougco *STEM School Highlands Ranch to perform "Hotel Ten" once in December*

By Denise Gliwa
YourHub Contributor

At 5:30 p.m. Friday, Dec. 15 STEM School Highlands Ranch presents the region's first-ever Immersion Theater experience with the production of "Hotel Ten."

Immersive theater performances break the barrier between the stage, actors and the audience, making the viewers an integral part of the show.

In "Hotel Ten," audience members will explore and engage in theater sets and experiences, while working to solve a murder-mystery. It's bound to be an evening

of rule-bending fun, entertainment and exploration.

"Hotel Ten," inspired by the Erik Larsen book "Devil in the White City," will take place in the high school wing of the school. The experience begins once you "check in" and receive a "key" to your room. Set in Chicago during the 1933 World's Fair, participants will progress through theater sets, all while collecting clues to solve the murder mystery.

Student written, directed and staged, the show will integrate photography, art, music, video production and historical virtual reali-

ty, all intertwined with the play's plot and embedded with murder-mystery clues.

This is a not-to-be-missed one-time theater experience at STEM School Highlands Ranch, 8773 S. Ridgeline Blvd., Highlands Ranch. Tickets cost \$10 and can be purchased online at stemacademy.ejoinme.org/HotelTen or by calling Sara Phelps at 720-500-0362 or sending an email to sara.phelps@stemkl2.org.

*Here's to dancing the night away.
Or at least the afternoon.*

While a lot of things change over the years, some things don't. And getting older doesn't mean you have to stop doing what you love. So we encourage our residents to keep on doing their thing while we take care of the rest.
