Course Registration Enrollments

5259 STEM 21-22

One you log-in,
follow these
steps!

You will see your core courses pre-loaded (LA, Sci, SS, Math, Study Hall)

- 6th graders-If you are requesting an accelerated course, you can make that change
- 6th graders will not have math pre-loaded as they have not been placed yet
- Computer Science will be pre-loaded for 6th and 7th graders only
- Students will only be adding electives, Engineering and Computer Science courses (8th grade only)

***Grades indicated above are grade levels for NEXT YEAR.**

Classes you are selecting per grade level

6th Grade

- 4 Electives (year long classes count as 2 units)*
- 1 Engineering course

7th Grade

- 4 Electives (year long classes count as 2 units)*
- 1 Engineering course (TSA is 2 units = 1 less elective)

8th Grade

- 4 Electives (year long classes count as 2 units)*
- 1 Engineering course (TSA is 2 units = 1 less elective)
- 1 Computer Science course

Keep in mind..

- *Year long electives:
 - Spanish
 - French
 - Chinese
 - Ensemble/Band/Orchestra
 - Biology (8th grade only)
 - **You MUST choose semester 1 and semester 2 of these courses when registering**

To add courses:

1. Click on

2. Search course here

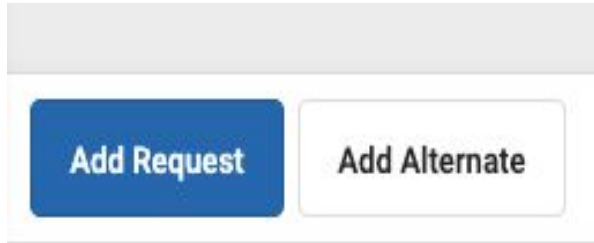

Add Course

3. For example: Search for the desired course and click on it

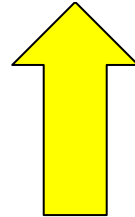

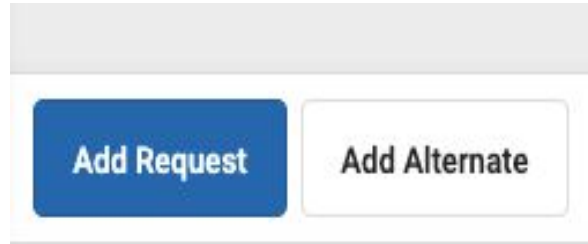

Add Course

4. Add course as a Request or an Alternate

5. Follow the same process for each course selection

Be sure to add at least 3 Alternate (second choice) classes by clicking “Alternate”

When you finish...

- Review your Course Requests to make sure you have what you need (See slide 7-Selections per Grade Level)
- If you are unsure, attend your counselor office hours or send them an email (See slides 13-14)
