

STEM School Highlands Ranch Opening

Position: Special Education Teacher - Middle School

Start Date: August 2021

Salary range: \$43,000-\$86,000

At STEM School Highlands Ranch we put innovation in the center of learning to unleash the potential of all students and prepare them for an exponentially changing world. We are a K-12 free Charter School in the Douglas County School District located in Highlands Ranch, Colo. Don't just read about our school; [See what we do every day!](#)

We believe:

1. We equip students to succeed in an exponentially changing world.
2. We leverage the power of collaboration.
3. We relentlessly reinvent and adapt.
4. We forge pathways of discovery through continuous inquiry and experimentation.
5. We nurture unlimited human potential.
6. We ethically and positively impact the world.

What we expect:

At STEM School Highlands Ranch, we expect teachers to be agile learners who design thoughtful curriculum that ensures unlimited student engagement.

What you can expect:

A community of committed professionals who engage in constant collaboration and innovation in order to nurture unlimited teacher and student potential.

Position Requirements:

- Assess students' skills to determine their needs and to develop teaching plans
- Adapt lessons to meet the needs of students
- Collaborate with the development of Individualized Education Programs (IEPs) for each student on caseload
- Plan, organize, and assign activities that are specific to each student's abilities
- Provide direct services through a variety of methods (e.g. classroom presentations, co-teaching in general education settings, in-services to staff, etc.), as needed
- Implement IEPs, assess students' performance, and track their progress
- Update IEPs throughout the school year to reflect students' progress and goals
- Discuss student's progress with parents, teachers, counselors, and administrators
- Supervise and mentor teacher assistants who work with students with disabilities
- Prepare and help students transition from grade to grade and after graduation
- Consult with parents, teachers, and other appropriate staff regarding the child's program and any adaptations/materials needed to facilitate improved performance in the classroom

- Adhere to the ethical standards and codes of the profession and to the established rules, regulations, and laws governing special education programs.

Qualifications Required:

- Bachelor's degree or higher from an accredited institution with a valid state teaching license: Special Education Generalist 5-21 endorsement.
