### **Position Description:**

As a teacher, you will be expected to plan, organize, and implement an appropriate instructional program in a learning environment that guides and encourages students to develop and fulfill their academic

potential. You are challenged with new teaching methods and educational tools in an ever changing and strategic environment.

**Position Requirements:**

- Plan, prepare and deliver instructional activities that facilitate active learning experiences and establish and communicate clear objectives for all learning activities.
- Utilize technology and integrate the use of technology to provide a variety of learning materials and resources for use in educational activities, instruct and monitor students in the use of learning materials and equipment, observe, evaluate, encourage and provide feedback on students' progress and development preparing required reports on students and activities.
- Responsible for managing student behavior in the classroom by establishing and enforcing rules and procedures, maintaining discipline in accordance with the rules and disciplinary system of the school, and applying appropriate disciplinary measures where necessary.
- Perform certain duties including, but not limited to, student support, counseling students with academic problems and supporting certain extracurricular activities such as social activities, sporting activities, clubs and student organizations, participating in department and school meetings, and parent meetings.

**Qualifications Required:**

- Bachelor's degree or higher from an accredited institution with a valid state teaching license and highly qualified content knowledge.
- Master in Social Studies preferred.
- Experience with Learning Management Systems and Google preferred.
