Why do we Have a Driveline?

Driveline is a **REQUIREMENT** of our Transportation Management Plan, which is a **REQUIREMENT** for us to maintain our Charter Contract with Douglas County School District.

Following all the guidelines and procedures is really important in order for us to have a successful school year.

Let's be good neighbors!

Walkers and Bike Riders

Mornings

- Please use crosswalks at all times to access our campus. Crossing where there is no crosswalks is unsafe and leads to accidents and driveline delays.
- Do Not:
 - Pullover on the side of the road to let your students out
 - Park in a business and walk over
 - Cross where there is no crosswalk

Walkers and Bike Riders
