Topic: The STEM Experience

Enrichment

Enrichment at STEM is the place students can find all of the school's after-school, summer, and other enrichment offerings. Because many of the offerings are as unique as our school is, we invite students from throughout the Denver metro area to participate in our Enrichment program.

Through Enrichment at STEM, students can participate in a variety of amazing clubs and programs, in arts, athletics, robotics, technology, and a variety of special interests.

Enrichment

Enrichment opportunities are updated each week and can be found at:

Contact Melanie Fitzroy, Enrichment Coordinator at enrichment@stemk12.org with any questions, become a mentor/club leader, start a club and more!

Enrichment

- Registration on the Enrichment webpage
- A variety of interests for all grade levels!
- Elementary programs are typically broken up into 4 sessions throughout the year
- MS/HS programs tend to be seasonal or year-round
- Sign-ups are still being made available as teachers return to school
- Don't see something you are interested in? Reach out and/or start a program!
- Enrichment is a great way for students to develop different interests and skill sets and make new friends
- ALSO a great way for parents to get involved in!

Before and After School Care

Spartan Morning and Spartan Afternoon programs are open to all Middle and High School students on a drop-in basis. There is no need to schedule days. Both programs take place in the Middle School Cafeteria, on the West side of the building.

Our program is only offered on days when school is in session. We do not currently offer any care on school holidays.

- Morning Times: 7:10-7:30 a.m. - For siblings of Elementary Students
- Afternoon Times: 3-6 p.m. (\$10/afternoon)
- Late Charge: \$1/minute after 6 p.m.

Spartan Athletics

We offer a variety of sports for students in grades 9-12.

The athletic teams at STEM are coached by staff at STEM. Our teams give our students the opportunity to learn teamwork, safe competition and life-changing skills.
