### **Position Description:**

As a teacher, you will be expected to plan, organize, and implement an appropriate instructional program in a learning environment that guides and encourages students to develop and fulfill their academic potential. You are challenged with new teaching methods and educational tools in an ever changing and strategic environment.

**Position Requirements:**

- Plan and implement problem-based lessons based on state standards.
- Create engaging lessons that integrate technology, science and engineering that also develops student critical thinking and problem solving skills.
- Ensure the success of all students by continually assessing student progress toward mastery of standards and keep students and parents well informed of student progress.
- Responsible for managing student behavior in the classroom by establishing and enforcing routines and procedures, maintaining discipline in accordance with the rules and disciplinary systems of the school, and applying appropriate disciplinary measures where necessary.
- Establish and maintain positive communication with parents and/or guardians regarding student's academic progress and behavior where appropriate
- Provide accommodations and modifications for growth and success of all students.
- Collaborate with grade levels for grade level community performances.
- Collaborate with colleagues with the intent of deepening pedagogical content knowledge, improving teaching practices, and creating problem-based learning opportunities.

**Qualifications Required:**

- Bachelor's degree or higher from an accredited institution with a valid state teaching license and highly qualified content knowledge.
- Experience with Learning Management Systems
- Excel at organizational tasks that involve many people and variables. Thrive in a diverse, intellectually challenging, entrepreneurial environment.
- Responsiveness: Follow up and follow through with students and faculty members is essential.
- Knowledge and the ability to work with both Mac and PC, Google Suite and Microsoft Office

**Essential Physical Requirements:**

- Occasional lifting, five (5) to fifty (50) pounds
- Ability to stand/walk for ninety (90) minutes
- Ability to run short distances
- Frequent bending, stooping, walking, standing, kneeling, crawling, squatting, reaching, and sitting

**Schedule:**

- After school
- Day shift
- Monday to Friday

**Work Location:** In person
